MINISTRIES

Dear Friend of *Abiding Above*,

March 2020

What an amazing time of ministry in Montego Bay, Jamaica! It all started in the mind and heart of Allen West, a friend who has served our Lord by drilling water wells in the impoverished areas of this island far away in the Caribbean Sea. He prayed about the people he knew there, and God laid it on his heart to invite Steve Coplon, and myself to hand out 10,000 gospel tracts, one by one, for almost 2 weeks of ministry here!

In the late afternoons, we began to set up for the presentation of the Jesus Film. We then walked through the community rallying the people to the central location to see the most watched film in history!

Discussions with the children after viewing the Jesus Film (children's version) in one of Jamaica's public schools. Imagine that!

I was able to wrap up our time of evangelism by conducting a multiplying, disciple making training session with a group of people in hopes of seeing God start a movement of His children discipling others across the island of Jamaica.

And all the while as we were in Montego Bay, across the globe, our key leaders in Kenya, Africa were doing their final training and receiving certificates on how to implement a multiplying disciple making church planting movement. I was videoed into the training sessions. As you have read in our past newsletters, and seen on Facebook and Instagram, we've been training and planting churches in Kenya for the last 2 years. To God be the glory!
