

Dear Friend of *Abiding Above*,

August 2019

On our last trip to Kenya, Africa, we left the Jesus Film Projector and equipment with key leaders. This will allow them to continue doing evangelistic events there while we are winning the lost and making disciples here. There is an 8-hour difference in time. Think of it, the gospel continues to be shared while we are on the other side of the world! We have seen thousands come to faith in Christ through the presentation of the Gospel of Luke, which portrays the life of Jesus Christ.

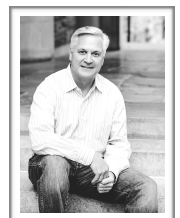

Good news! We have purchased another Jesus Film Set Up that we will prayerfully be using in the Mississippi Delta and along our southern border with the immigrants. We have the film in over 1,700 languages! Please pray for this evangelistic tool in Kenya and here in America. We plan to make the best of this equipment provided by the prayers and financial support of people just like you!

Our New Jesus Film Purchase

The Jesus Film showing in Kenya

President & CEO

Our previous trips to Africa are bearing much fruit! Thank you for praying and giving to get us there so we could put in place “ongoing ministry” endeavors. These pictures are results of our leaders who are planting churches that teach their people how to be a “true disciple”. One who carves out time to disciple another and teaches them how to disciple others. Each one reach one! One by one, by one, we can literally reach the whole world in our generation! Pray for a fresh revival among God’s children world-wide, and we can watch the Great Commission come to completion!

Just a few of the many new discipleship groups started as a result of our week of teaching the process of discipleship to our leaders. Churches planted! Disciples made!

Acts 2:40–41 - “... he pleaded with them, “Save yourselves from this corrupt generation.” Those who accepted his message were baptized, and about three thousand were added to their number that day.”

People are being saved, baptized, and disciplined! Leaders are being developed and churches are being planted! A true church is to be outward focused, not inward focused. If God had only been heavenly focused, He would not have sent His Son Jesus to die. Let's not slowly die faithfully studying our Bibles and attending church. Together, let's make disciples who make disciples!

Help us! Let's continue this movement and start new ones! It takes all of us praying and giving. Oswald Chambers once said, *"We must turn and do the duty that lies nearest."* We know more than 10,000 have been saved! We must think and continue, **"Multiplication!"**

I had the joy of preaching in Missouri this past Sunday. My longtime seminary friend, Rev. John Compere, is the pastor of First Baptist Church of Portageville. I shared my spiritual testimony and encouraged them in who they are in Christ and how Christ can live His life through them. What a blessing to be with John's people! After the service, many Bible lessons were distributed and many copies of my favorite book, apart from the Bible, were sold at our cost "The Complete Green Letters", by Miles Stanford. This is a great book for understanding basic theology! Call or write to us and we will send you one today!

First Baptist Church of Portageville, MO

Let's keep making a difference in our time and generation! To God be the glory!
