

Dear Friend of *Abiding Above*,

February 2020

Because of you, we have sent another \$1,500 to Kenya, Africa to build another church structure! This can accommodate at least 250 people!

Remember, we only train and build local churches with this model: **A multiplying, disciple making, and locally sustainable church!**

We have guided pastors and leaders to keep their people focused on God's simple plan for the church.

Daniel, training pastors and leaders in disciple making in a simple African local church structure. Ministry to ministers is ministry to multitudes. Multiplication is the Lord's way. Matthew 28:18-20

Many churches across the world have lost the original mission that our Lord and Savior Jesus Christ gave us before He was crucified on the cross.

These are a few of the signs of a church that has lost sight of our Father's Great Commandment and Great Commission:

~ Slow erosion. They simply do not see the gradual decline.

~ The past is the hero. They simply do not see the future holds the best days.

~ The budget moves inwardly. Becomes like a country club.

~ The Great Commission becomes the Great Omission.

~ A clear purpose is lost.

~ An obsession over the facilities. Like David declining to wear Saul's armor to fight Goliath, the armor was too cumbersome.

Please whisper a sentence prayer for us:

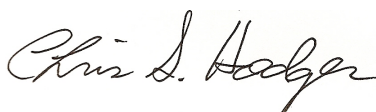

- 1. Our church planting disciple-making movement in Kenya.**
- 2. Our Jesus Film Team in Kenya.**
- 3. In February, our evangelism and leadership training in the impoverished areas of Jamaica. Mass gospel tract distribution, Jesus Film Presentations, training in church planting/disciple-making.**
- 4. In March, a Jesus Film Presentation in Sardis, MS.**
- 5. In March, a mass gospel tract distribution at the Saint Patrick's Day Parade on Beale St.**
- 6. In April, a weekend of preaching and presenting the Jesus Film in Missouri.**
- 7. In May, a mass tract distribution and evangelism in Connecticut.**

The bottom line, people are being saved and discipled!

Thank you for giving! We can tell you are praying.

Praising the Lord for you!!!

President
