

Dear Friend of *Abiding Above*,

September 2020

Many years ago now, as I was walking through Bellevue Baptist Church in Memphis, Tennessee, I noticed a table that had brochures on it. It was a display for a Christian radio station called Bott-
Radio Network, WCRV 640 AM.

Curious, I stopped and picked them up as I headed to my truck to travel back home to the Mississippi Delta. I changed my radio station to 640 AM. There was a British man preaching named Stephen Olford with Encounter Ministries.

This is what I first heard from him, *“My homiletical professor was named Graham Scroggie, he was speaking on the importance of prayer. I said to him in front of the class, “But Dr. Scroggie, I don’t always feel like praying.” He said, “Stephen my boy, pray when you feel like it, pray when you don’t feel like it, and pray until you do feel like it.”*

I loved it!

Little did I know I would get to know him, live above his study, work with his ministry, and eventually have the experience of Dr. Olford, Dr. Dale Prince and Cliff Barrows officiating when Kellie and I married at Bellevue.

Even more surprising to me (because of a fear of public speaking) was that I would eventually have a radio spot 5 days a week on this same radio station!

Abiding Above Ministries has been on WCRV for more than 10 years! Most of these spots are excerpts from sermons I have preached over the years. To hear the full version, you can go to our web site AbidingAbove.org.

Thank you to our longtime friends Todd Payne and Byron Tyler, who faithfully fulfill God's call on their lives through the many ministries of Bott-Radio Network. Pretty work!
