

Dear Friend of *Abiding Above*,

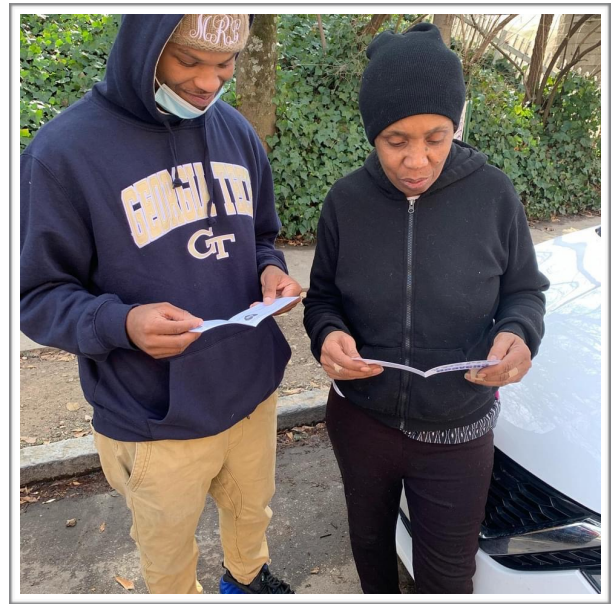

March 2021

I'm writing to you from Tallahassee, FL! A team of us are sharing the gospel in the communities surrounding the state capital! We are only in day two, so I will report to you the results in our next newsletter.

As reported in our last newsletter, we have stepped out in faith in signing a new contract with Bott-Radio Network WCRV 640 AM! This will greatly increase our listening audience designed to point people to our ministry website [AbidingAbove.org](http://AbidingAbove.org) to hear the full versions of the sermons.

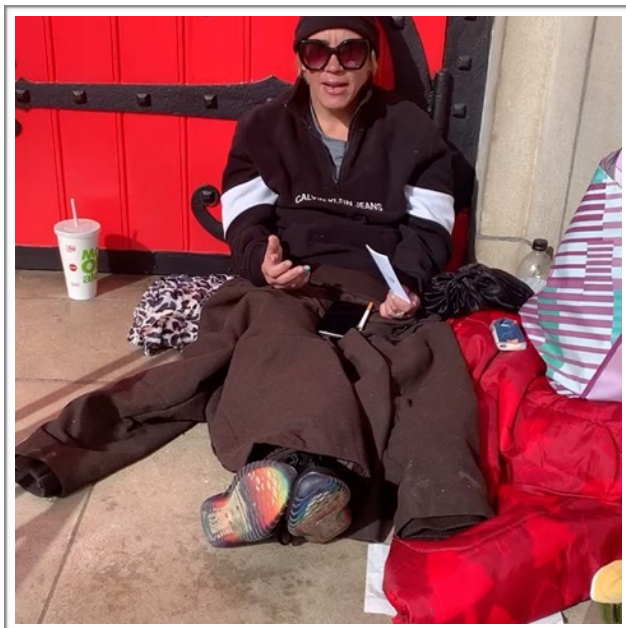

Please pray for us and please give as God lays this on your heart by His indwelling Spirit!

I was able to travel to Atlanta, GA for several days to do evangelism in the downtown area. We handed out close to a thousand tracts and ministered to many homeless people. Above, a mom and son waiting on a ride, sincerely thanked me for handing them a tract. They read it in it's entirety! She said COVID-19 has caused her to seek God more as a child of God. Her son asked Jesus to come into his heart!

Jesus said in **Matthew 25:35–36** – *“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.”*

I met one homeless woman who was leaning back on the beautiful door of an old church building. She said that she had slept around the outside of the church for many years. I shared the gospel with her.

You can visit our Facebook and Instagram page to view the complete video and our discussion.

You can hear her sharing an honest and personal story of the wide road that leads to destruction that the Bible speaks about in **Matthew 7:13-14**.

Thank you, my friend, for praying and giving to help us help others. I look forward to reporting to you about our evangelistic endeavor in Tallahassee.

It seems the Lord is coming soon. We must win the lost to Christ. We must start with our family and friends; then, we must go to those within our sphere of influence in our communities and, finally, we must continue on as far and wide as possible in our lifetimes.

We can pray, we can give, and we can go. God can and will use you in these last days. Listen to His Holy Spirit and keep saying “yes” over and over again.

God can use us in many different ways. God is using you to help us and we are forever grateful!
