

Dear Friend of *Abiding Above*,

April 2021

Thank you so much for praying and for giving to this ministry as we continue to encourage people here and around the world towards a personal relationship and ongoing fellowship with Jesus Christ!

Sunburned and tired, we celebrated over dinner and shared testimonies of our soul-winning experiences.

The March 2021, Gospel Tract Distribution in Tallahassee, Florida included 24 guys blitzing within a five-mile radius of the Florida State Capitol. This densely populated section of Tallahassee includes Florida State University, Florida A&M, street markets, businesses, shopping malls, parking garages, flea markets, numerous parks, large parking lots, fraternities, sororities, residential neighborhoods, apartment complexes, athletic facilities, and suburban areas. We handed out more than 28,000 gospel tracts that I see as paper missionaries. Though we are now gone from Tallahassee, these tracts are continuing to be read and are making their way by the Holy Spirit into many other people's hands and then hearts.

Sharing the gospel at this retirement home. Several prayed to receive Christ and asked for tracts to give to family and friends.

One to one spiritual conversations with people from all walks of life, many praying to receive Christ with tears in their eyes.

God answered your prayers for a successful evangelism thrust in Tallahassee, Florida!

Now, please pray for Asheville, North Carolina, where we will be doing the same thing beginning April 29th! Reports will be forthcoming. Also, please pray as I preach multiple times over the next months at Memphis Union Mission. They are about to open their new facilities where they will be able to accommodate more homeless men. My theme will continue "You Can, If You Will" based on **Proverbs 23:7** – *"For as he thinks in his heart, so is he."*

Please pray for Pastor Daniel, our longtime friend and partner in ministry, in faraway Kenya. He is like the Apostle Paul to many pastors and leaders in ministry. He has been through our training the last two times I was in Kenya. He led out in bringing men to the conference Abiding Above Ministries organized and financed in Kisii, Kenya. This makes the 8th church plant since Abiding Above launched and trained leaders to plant multiplying, disciple-making churches.

Because of you, we're sending money to put the tin on this roof. Pastor Paul is under the Chief Shepherd of this church plant. He's been trained. Pastors are a sovereign choice of God. This divine call is then confirmed by the local church.

We need you!
