

Dear Friend of *Abiding Above*,

October 2021

Thinking of you and thanking you for your prayers and financial support!

We made it back safely after a long journey to the greater New York City area. On this trip we had a total of 21 men participate in handing out gospel tracts by putting them on car door handles, handing them directly to people and having spiritual conversations with people from all walks of life as we **“... went about the Father’s business.” Luke 2:46**

Chris, with New York City in the background, before we attacked it with God’s love and the gospel of Jesus Christ!

Chris and Timothy with more than 100,000 gospel tracts (bullets) ready to go!

We were able to be in the big city on the day of the 20-year 9/11 memorial. Can you believe it? It’s been 20 years since that fateful day when our beloved America was attacked, and many people lost their lives. Hundreds of thousands of people were in New York to pay their respects. Many of these received our paper missionaries as we looked at them and simply said, “God bless you.”

People were grateful and many seemed worried about the present state of our nation. We believe this is the reason we are not seeing a lot of push back in this aggressive form of evangelism. Thank you for praying for our protection.

Sharing the gospel story right in the streets, to our left, to our right, and everywhere!

After handing this lady a tract, I watched her through a window as she read it. You can watch the video on our Instagram and Facebook sites.

When I returned home, I had the privilege of speaking at the Stephen Olford Center for Biblical Preaching. My session was on Worldwide Multiplying Disciple Making. It was a blessing to be back and to minister at the Olford Center.

Please keep praying! I'm so grateful to be able to see thousands of people reached for Jesus Christ!
