

Dear Friend of *Abiding Above*,

March 2022

Thank you for listening to the Holy Spirit as you pray and give. When you receive this newsletter, I will be doing raw street evangelism in the counties around our nation's capital in Washington D.C. Please be in unbroken communion for me and the team. Watch our social media sites in the days ahead on our website at <https://abidingabove.org/>.

I'm standing with my longtime friend, Todd Payne, after signing a new contract with Bott Radio Network! Thank you, friends of Abiding Above! You have kept on making this happen for more than 15 years now!

We continue to show the Jesus Film in the evenings in Kenya. People crowd around the screen on both sides and listen and watch the film in their own language. It's simply amazing! My longtime Kenyan friend, Daniel, can set the film show up anywhere using solar-powered batteries. Singing and testimonies draw crowds and then the film is presented with a gospel invitation given at the crucifixion scene.

Abiding Above Ministries continues to see the fruit of our labors from the trips we've made to Kenya in training multiplying, disciple-makers who plant disciple-making churches. Here Daniel is with men he has disciplined using this model.

We then help in building a simple structure that can accommodate up to 300 people for training, discipling, and Sunday morning services (shown in this picture).

Please pray specifically for these pastors listed below who are trained, multiplying, disciple-makers and who are desiring to plant a new church. Eight churches have already been planted and there are more to come!

Daniel, Murimi, James, Armstrong, Amkambwa, Oyunge, Nyakundi, Osoro, Chacha, Boto, Abel, Paul, John, Vincent, Jared, Steven, Dickson, Osore, and Enoch.

Please continue to pray for me as I plan to travel to Kenya this year to train more pastors and people how to disciple others. I will be teaching pastors what God has clearly said in His Word about Who the Holy Spirit is and what He does in and through His children.

May God continue to bless you and make you a blessing to many more!

Abiding above,

A handwritten signature in black ink that reads "Chris S. Hodges". The signature is written in a cursive, flowing style.
