

Dear Friend of *Abiding Above*,

May 2022

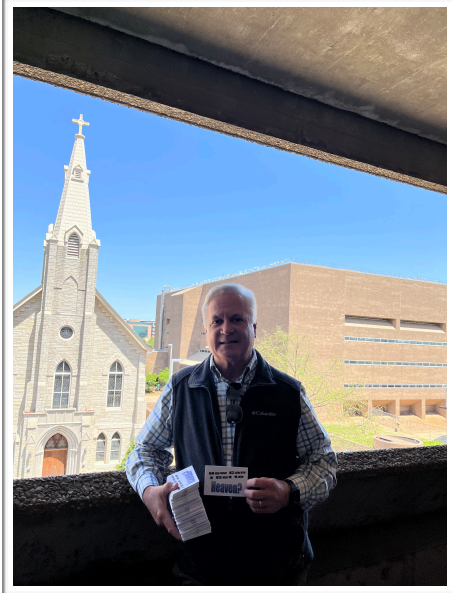

As I write this newsletter to you, I'm away in Mississippi preaching a revival at Hopewell Baptist Church. We have just started, and I look forward to reporting to you what God will do in our next newsletter.

It's always a joy to be with my friend, Jeff Patrick who has served the Lord with Memphis Union Mission as long as I have known him. Here we are in front of their new building and standing with my Korean friend, Jungho. I preached and heard many men pray to receive Christ!

My longtime friend and board member, Brad Jolly, is helping me store the brand-new printing of our "How Can I Get To Heaven?" tract in Spanish. This printing was a 50,000 quantity. We now have the tract in both English and Spanish. Years ago, Brad and I wrote this tract together and Abiding Above Ministries has distributed more than 200,000 of

these heavenly paper missionaries! Please pray right now a sentence prayer as these go out everywhere!

After Junggho and I left the mission, we headed directly to the outside parking garages to distribute our gospel tracts. We hand out these tracts directly to people and start spiritual conversations with them. In between our conversations, we put the tracts in the car door handle on the driver's side. On this particular day, we distributed 1,000 tracts!

Thank you, my friend, for praying for my safety and success as we go directly to where people are in their daily lives and reach them with the gospel of Jesus Christ in agape love.

Please be praying for the upcoming evangelistic trip a team of us will be doing in the month of July in the greater Philadelphia area! Pray that God, in a way that only He can do, will even now be preparing hearts for our gospel witness as we do raw evangelism in the streets of this city named after the Greek word phileo (brotherly love). At the present time, Philadelphia is the opposite of the City of Brotherly Love. Crime is rampant, so please pray for our safety and for genuine "agape" (God's eternal sacrificial love) to shine through His children of light as we go about like Jesus, doing good.

Thank you for doing something! Praying, giving, and sending! You are special!
