

Dear Friend of *Abiding Above*,

October 2023

Praising the Lord for all of you! Forever we will be grateful for your prayers and support which have been used by God to make these things happen! Day after day, in God's timing and grace, I preached in Kenya, Africa at schools (twenty-six in all) and at a women's prison. This means more than 10,000 people heard a message God put on my heart for them, "***You Can, If You Will.***" We listened as more than 3,500 people prayed to receive Christ!

For many years I have said over and over again, "Jesus is coming soon!" As we look across this world as brothers and sisters in Christ, I say it with all of my heart, "Jesus is coming soon!" Jesus said, "only God the Father knows" when the Son will come again. Matthew 24:36.

Because of this, my friend, people need to be saved before it's too late. Abiding Above Ministries from its inception has two primary messages, ***Christ died for you to the lost and you died with Christ to the saved.*** These continue to be my primary focus in all that we do. This reaches the world at large for salvation and the local church in sanctification.

Day after day as I looked out across these large crowds, God kept bringing to my mind the fact that each person God created in all of human history is fearfully and wonderfully made. God knows exactly the number of days he has ordained for each one and they truly are fearfully and wonderfully made.

This thought, from one of the Bible lessons we have distributed by the thousands over these many years, continued to come to my mind, *“What is God doing in their lives; how can I help?”*

The most beautiful song I have ever heard is when people pray and ask Christ to come into their hearts. Glorious! This makes life worth living!

There are so many more pictures and videos! Please go to our website and social media sites to see much more!

When you receive this newsletter, a team of us will be doing street evangelism in very large, populated areas in Germany, Poland and Ukraine. We have many thousands of gospel tracts in the different languages. Prayerfully follow us on our social media sites each day. Pray for many souls to come to Christ in these last days and for our safety.

May God bless you and continue making you a blessing to many as you have been to us!

Abiding above,

Chris S. Hodges
