

Dear Friend of *Abiding Above*,

April 2025

Thank you, my friend, for praying and listening to the Holy Spirit as you give. Because of you, we were recently able to order the printing of thousands more copies of our gospel tract, **“How Can I Get To Heaven?”** With your prayers and support over these many years, we have printed this tract by the thousands many times. These too, will be distributed one-by-one until these paper missionaries are out there intersecting with a lost and dying world. Then, together, we will print again! We have for years printed these in English, Spanish, Swahili, and Russian. We are now in the process of having this tract translated into Hindi (India).

Praise the Lord, we were able to distribute thousands of the Saint Patrick’s Day gospel tract that we have been using for many years. Every year a team of us distribute in Memphis, TN, and recently, we have even had teams distribute in Chicago and now Cape Coral, FL. This picture is from Cape Coral where this team handed out more than 5,000 tracts! It always amazes us how

hundreds of thousands of people turn out for this event every year. Most of the time if you ask a person, “Do you know who Saint Patrick is?” They burst out laughing and say, “No!” They eagerly reach for the tract and many times they come back to us asking for more to give to their friends they are traveling with! To God be the glory!

It's always a pleasure to teach at the Memphis Union Mission downtown. While I was teaching, there was a live picture of the wailing wall in Jerusalem on the screen in the chapel. Let's continue to pray for peace in Israel and for many Jewish people to come to faith in Jesus Christ. We had many men pray to receive Christ at the mission this particular morning.

Thank you for always praying for us! Specifically, please pray for our upcoming mission trips to Africa and India. During our time there we will be conducting evangelistic outreaches in local schools with thousands of students.

We will be preaching to large prison populations, and conducting discipleship and pastor training conferences.

Were it not for God's grace, my friend, we would be wandering down a long road to nowhere. Praise the Lord we found Christ! He lives "In us" by the indwelling Holy Spirit and God sees us "In Christ" at His right hand forever and forever. Amen!

Thank you for praying for me and supporting us, my friend! May God bless you and make you a blessing to many others!
