

Dear Friend of *Abiding Above*,

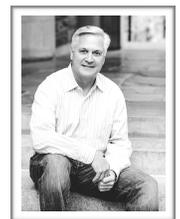

July 2019

More than 1,900 prayed to receive Christ as we presented the Jesus Film in Kenya, Africa! And stay tuned, we hope to use this evangelistic tool in the Mississippi Delta, USA in the months ahead!

For the first time, my wife and daughter were able to travel with me for the first week of this trip. We officially started Bible lessons in this orphanage. As the children complete one series, they are immediately enrolled in the next.

James 1:27 - Pure and undefiled religion in the sight of our God and Father is this: to visit orphans and widows in their distress, and to keep oneself unstained by the world.

We also started the Bible lessons in this prison. The best way to encourage a criminal to change his ways is:

Romans 12:2 - ... be transformed by the renewing of your mind.

After Kellie and Maclaren traveled back to America, I began the second leg of our trip, encouraging our key leaders in implementing what we have trained them to do in my previous trips there. Our goal is to plant churches that are modeled after Jesus and the Apostle Paul:

***Disciples making disciples
Planting multiplying sustainable churches***

My friends, with your prayers and financial support we have started new churches! While you and I are on this side of the earth, these churches in Kenya are teaching their people how to make disciples who make disciples and planting new churches that are modeled the same way. They are in full agreement with the wisdom that each one is to be sustainable. This ensures they remain dependent on the Holy Spirit.

Mission Statement: To glorify God by encouraging all people into a relationship with Jesus Christ, discipling them in spiritual growth, and equipping them to make disciple making disciples that plant multiplying sustainable churches.

Mission Verse: We labor until Christ is formed in you. Galatians 4:19

Motto: Christ in Us for Others

Pastor Daniel believes in disciple making and growing God's people to be a true disciple

We also completed the distribution of the 10,000 tracts in Swahili that you helped us print last year. We need to print more. What you give we will make sure spreads to places that the simplicity of the gospel is enough.

This is just one setting where we give out tracts. We have given out 10,000 in places just like this one! Praise the Lord!

There is so much more I would like for you to see and hear. Please go to our social media sites Facebook, Instagram, and Twitter.

There is much more! We need your help to continue to make a much larger difference.

Please continue to give, and if you can, increase the amount. If you have not given in a while, we need you. We are prayerfully, and by God's Spirit, trying to make a bigger difference in ... ***God's so loved world*** So much more can be done without wasting a penny on things that really don't matter. Please help us ... Jesus is coming ...
