

Dear Friend of *Abiding Above*,

October 2019

At this writing I have just left a conference in Texas that greatly encouraged me and helped me gain even more understanding and passion for reaching the whole world for Christ in our generation!

Yes, our world is unraveling, but, men, women, boys, and girls are coming to Christ, being discipled, becoming disciple makers, and attending disciple making churches! So, we see evil and we see God's glorious outshining all at the same time! This is exactly as God's Word foretells!

"For God did not send the Son into the world to judge the world, but that the world might be saved through Him." John 3:17

The GACX 2019 Forum!

- 1. Brought hundreds of ministries together to see how partnering together causes exponential growth.**
- 2. I was able to connect Abiding Above Ministries to other leaders who are also starting churches in Kenya. The future continues to be bright in our work in Kenya.**
- 3. I was able to meet with the Jesus Film Church Planting Team. This team has designed this film to start churches and to disciple people in their own language. They are excited with all we have already done so far in Kenya!**

Evangelism New York 2019! As I write this second portion of the newsletter, I am doing street evangelism and tract distribution with 6 other men in the heart of New York City and in the upper part of New York State!

Our group got up at 4 a.m. We had prayer, divided up, and handed out tracts at 3 busy train stations where people are heading into New York City. We handed them out as passengers waited for the train and as they disembarked. The trains were running 15 minutes apart for about 3 hours! Many souls received the good news!

Then, right in the middle of New York City, our team spent all day handing out these paper missionaries! We were also able to share the gospel with students and hand out gospel tracts on university campuses.

L to R - Timothy, Steven, Bill, Art, Chris, Alan, and Gennara (not pictured)

This man was headed to stand in a long line, to process a lot of paperwork for his deceased dad's war bonds. He received no help from his 9 siblings who "assumed" he was going to steal their portion. His spirit truly lifted after I shared with him the way to salvation and he prayed to receive Christ. Then, as he started to walk towards the huge legislative building in Albany, he turned and said to me, *"It's like you came out of nowhere."* He walked on further and then turned and said, *"I'm the glove, God's the hand. Got it! Here I go."* Then he walked to the

I believe with all of my heart; hundreds were saved in this evangelistic endeavor for Jesus Christ! As a team, we also sensed that people are once again ready to listen to good news in a world that seems so uncertain.

Here's the bottom line:, people need a clear gospel witness; people need to believe and receive Christ. Abiding Above Ministries seeks to glorify God by sharing the gospel with this world. Each year we are seeing thousands come to faith in Christ. We seek to set them on a course of simple discipleship so that they too may be disciples who makes disciples.

As you pray about where to give, think bottom line, ... *people must first be saved!* ***"For the Son of Man has come to seek and to save that which was lost."* Luke 19:10**

Seeking the lost with you!

Abiding above,

President
